STRING HITCHED TO CARRANZA'S RESIGNATION

Insists That Villa, Too, Must Retire to Private Life

ATTEMPT TO KILL VILLA

Hired Assassin, Who Had a Record, Captured and, After Confession, Executed

Mexico City, Oct. 27.—Venustiano Carranza has submitted his resignation to the Aguascalientes convention. His offer to relinquish his post as supreme chief of the nation, however, is conditional on the retirement to private life of Gen. Francisco Villa.

In offering to resign, Gen. Carranza said he was actuated only by the highest motives of patriotism and that acceptance or rejection of his offer must depend on whether or not his elimination would contribute toward hastening peace in the republic, and the furtherance of true democratic ideals.

In discussing the resignation of Gen. Carranza a high government official said today: "Gen. Villa has charged Gen. Carranza with being a self-seeker who desired to take advantage of an accident and perpetuate himself in power. Gen. Carranza now shows his good faith to the world by declaring that Villa is to be a check on peace and to democratic progress in Mexico, they should both step down and out. As Mr. Americans say, 'It is now up to Mr. Villa.'"

"The followers of Gen. Carranza are willing to let history judge us by this act of disinterestedness on his part, for we can make no greater sacrifice in the interest of peace and patriotism."

PLOT TO KILL VILLA

Hired Assassin Captured and Put to Death—Carranza Denies Aiding

El Paso, Oct. 27.—An attempt has been made to assassinate Gen. Villa by an agent said to have been commissioned and paid by Gen. Pablo Gonzalez, Gen. Carranza's staunch supporter was charged in a message sent from here today by Luis Aguirre Benavides, Gen. Villa's first secretary. The would-be assassin, Francisco I. Mugia, was executed after making a confession before George C. Carothers, the American Consular Agent.

The accusation caused much excitement. The telegram from Villa's secretary said Mugia was apprehended at Guadalupe, where Villa with his troops has been awaiting the outcome of the conference. The official report stated that the prisoner, just prior to the execution, told the Villa officers in the presence of Carothers that he had received a large sum of money from Gen. Gonzalez at Mexico City. In his possession was found incriminating evidence and a loaded pistol.

"Mr. Counsel, please advise your government and my family that I died a traitor," Mugia was quoted as having said.

The accused was an argentin insurgent. It was Mugia who assassinated a German Consular official in Mexico City some years ago.

Denying any part in the plot, Gen. Carranza today admitted the existence of a well-organized conspiracy to do away with Villa. The denial was telegraphed to the Constitutional Congress here and was given out over Carranza's signature this evening. It says that the report which told of the execution of Mugia was untrue in that it held that Gen. Gonzalez had hired Mugia. Carranza admitted having knowledge of the plot, but said he had saved Villa's life preceding his actual break between the two leaders, when Herrera and Chao were anxious to execute Villa in order to rid the Constitutional party of a menace. Carranza says he finally succeeded in exacting a promise from his generals that no harm would come to Villa, and the fact that he had entered Carranza's territory to attend the peace conference is cited as proof of his good faith.

TO SEW FOR SOLDIERS

CodEde at U. V. M. Helping Red Cross Work in Europe

Mrs. A. B. Myrick has organized a class of girls at the University of Vermont who will spend all of their spare moments in making articles of wearing apparel for the relief of the soldiers taking part in the European war. Twelve young women at the college have already signed to do the work, and it is expected that there will be many more.

Though a number of individuals are at work on the articles for the Red Cross, to be sent to the soldiers this is the first organized effort in Burlington. While funds for the sending of a trained personnel and the purchase of surgical and medical supplies are of the first importance, there is the need of wearing apparel, such as hospital garments, etc.

The Red Cross will furnish patterns for the articles needed and also little red crosses to be sewed into each garment. Articles which are especially needed are pajamas, sizes 16, 17 and 18, night shirts of the same size, convalescent gowns, like bath robes, made of terry cloth or similar material, socks, underwear and ward slippers. Hospital sheets and towels are also much needed. The young women at the university are to knit on the slippers.

The articles when completed will be forwarded by the state chapter, but none of the money sent in for the relief of the sufferers from the war can be used as that has to be forwarded to Washington, whence it is forwarded to the country for which it is designated. The material for the clothes and other articles must therefore be donated by individuals.

LOCAL OVERFLOW

Miss Julia Mattison of Shaftsbury is visiting in town.

The ladies sewing society of Old Bennington will meet Friday afternoon at the home of Mrs. Arthur J. Holden.

Mrs. Philip B. Jennings of Old Bennington has returned from Cleveland, O., where she has been spending a few days.

A good sized delegation from the Woman's Relief Corps went to North Adams this afternoon to attend the inspection of the Tunnel city corps. Department officers are to be present.

Mrs. Louise Percey, aged 43 years, wife of Simon H. Percey, died Tuesday at her home on the Shaftsbury road of bright disease with which she had suffered for nearly 15 years. She had been confined to the bed about seven weeks. Surviving, besides her husband is one daughter and one brother. The funeral will be held from her late home Friday afternoon at 2 o'clock, Rev. P. L. Dow officiating.

TO REMAIN INDEPENDENT

Stratton Mountain Club Will Not Join State Organization

The Stratton Mountain club of West Wardsboro at the last regular meeting voted not to affiliate with the Green Mountain club, thus preserving an independent organization. The club plans to erect in the spring a suitable marker for the site on which Daniel Webster delivered his oration in 1849.

GEN. DE WET LEADS NEW REBELLION IN SO. AFRICA

Britian Faces Serious Trouble In Orange Free State

GOVERNMENT OFFICIALS ARRESTED

New Uprising Headed by Commander Who Made British So Much Trouble in Boer War

London, Oct. 27.—Another rebellion has started in South Africa. Gen. Christian De Wet and Gen. Christian Frederick Beyers have taken the lead of rebels in the Orange Free State and the Western Transvaal.

Having suppressed the rebellion in the Northwest Province of Cape Colony led by Lieut. Col. Maritz, the Government of the union of South Africa is now faced by this more serious rising. Gen. Beyers recently resigned the command of the union defense force when Premier Botha decided to take up arms against Germany.

According to an official report received today armed rebellious commandos are already in existence. The town of Heilbron in the northern part of the Orange Free State, has been seized and the government officials have been taken prisoners. A train has been stopped and armed citizens of the defense force have been taken from it and disarmed.

The Union government has issued a proclamation to the people announcing these events and explaining that, although it was aware of rebellious preparations it had been taking steps to preserve peace without bloodshed.

The citizens are called upon to be on the alert and give the government information and assistance. Those who have been guilty of disobedience under the defense act are advised that no action will be taken against them if they remain quietly at home.

Gen. De Wet is the Boer leader who gave the British so much trouble in the South African war.

AGED MAN INJURED

Mind a Blank as to What Caused Wounds and Exposure

Mark H. Wooster of Brattleboro about 60 years of age, is in the Memorial hospital in a serious condition as the result of loss of blood and exposure. He was found unconscious late Friday afternoon, with most of his body in Little river, near the covered bridge. On his left forearm was a deep, clean cut that had severed the big muscles and on his left wrist was another cut that had the appearance of having been made by barbed wire.

He was taken to a house on the island and Dr. Henry P. Greene was summoned. He hurried Mr. Wooster to the hospital, where he sewed up the wounds and had hot packs placed around him in an effort to ward off serious illness from the exposure.

Mr. Wooster has no idea of what happened to him. He says that his head had been troubling him some time. He remembers having been at the railroad station in the morning and later is sure he was on Wantastquet mountain, but does not remember of having had anything to eat during the day.

Mr. Wooster is weak from loss of blood, and this with the exposure makes it impossible to determine yet the outcome of his case.

HOME OF FORD CARS

Headquarters for Four Years at Bennington Garage

The Bennington Garage has been for four years the local home of Ford Cars. In that time about one hundred twenty five Ford cars have been started out from there. These cars have all done wonderful work and are all doing good service every day now. Some very surprising records of perfect service and extremely low cost of operation per mile have been made. It is a very noticeable fact that all the best records have been made by cars whose owners have stuck to The Ford Home for their service, supplies, and repairs. At The Ford Home they are more anxious to have your Ford Car give perfect service at a low cost than even you are. If anything is wrong it is there they know just what it is and the quick and least expensive way to put it right. The Bennington Garage The Home of Fords, is the place of Satisfactory Ford Service. Back Home, and your Ford will run More Miles for Fewer Dollars. Adv.

KAISER FIGHTING TO TAKE CALAIS AND DUNKIRK

Germans Attempt to Break Line By Night Attack

BLOODIEST WEEK OF THE WAR

London Says Germans Have Been Stopped and Lost 15,000 on the Yser

London, Oct. 28.—All reports received at the war office indicate that the bloodiest fighting of the war has been in progress in Belgium during the past week with a slight abatement today.

Desperate night attacks of the Germans in their efforts to cut a way through the line in the direction of Calais and Dunkirk have been repulsed.

In the fighting on the Yser the Germans are reported to have lost 16,000 killed and 30,000 in wounded and prisoners.

FUNERAL OF BISHOP WEEKS

Many Clergymen Pay Last Respects to Episcopal Minister

Rutland, Oct. 26.—The funeral of Bishop Coadjutor William F. Weeks was held at Trinity church at 11:30 o'clock this morning and the burial will be in Brandon this afternoon.

The Rt. Rev. Arthur C. A. Hall of Burlington, bishop of the diocese celebrated communion, assisted by the Rev. Dr. George Y. Bliss of Burlington, the Rev. Joseph Reynolds, of Rutland and the Rev. Charles C. Wilson of Burlington.

The Rev. F. Barnby Leach, of Brandon, conducted the service at the grave.

There were about 50 clergymen at the services.

HALLOWEEN CARNIVAL

Parade Will Start From Band Rooms at 7 O'clock

Plans for the Halloween Carnival to be held Saturday evening are fast nearing completion. The parade will start from the band rooms on Main street at 7:30 sharp and the line of march will continue down Main street to the Political Platform on South street, where a free concert will be given. All those entering the parade are asked to assemble in front of the band rooms at 7 o'clock. Each section will be in charge of a member of the following committee: Mrs. H. M. Ritchie, Mrs. L. Nichols, Mrs. Peat, Mrs. G. P. Endress, Miss Bridgie McGuire, Miss Eunice Lyons, Miss Martha Pratt. There will be sections for those carrying Jack O' Lanterns; wearers of masks; ghosts; witches; decorated umbrellas; goblins and a variety group. Only very simple decorations will be necessary. Groups of people attending private masquerade parties are urged to be generous and enter the parade in order to let the general public enjoy their costumes. Mothers need not hesitate about letting the younger children enter, as the line of march is purposely short, the parade will be over before eight o'clock and there will be plenty of responsible people in charge of the various sections to preserve order.

Now young people, this is your celebration and you can get just as much fun out of it as you will put spirit into it. Why not help make this enough of a success to warrant its becoming an annual affair where young and old can unite in a happy and suitable observance of All Saints Eve. Start now by getting your friends to form a group and notify Miss Vossler, telephone No. 389-Y soon, so that your section may be included in the order of marching.

CHRISTMAS IN EUROPE

National Express Company Will Carry Presents Without Charge

Until November 10 the National Express company will carry to Brooklyn free of charge shipments of Christmas presents for the children of Europe. From Brooklyn the presents will be transported to Europe on a steamship provided by the United States government. The steamship will leave Brooklyn November 10.

All packages must be plainly marked "Christmas Presents for the Children of Europe."

SOCIAL DANCING

Class to Be Started Here in Connection with Recreation Work

There have been so many requests for a class in social dancing that one is to be started on Saturday night, November 7th in connection with the Recreation work, for both men and women. Arrangements have been made with the Young Women's club to secure their rooms free for this purpose. The services of the teacher will also be given free so that the only expense will be for the music. Tickets for a course of seven lessons may be had for twenty-five cents. While this fee is merely nominal amounting to about three cents apiece per evening, it will place the class on a self-supporting basis. The class will be limited to fifty members in order to permit individual instruction by the teacher. As quite a number of tickets have already been spoken for, everyone who wishes to enter should notify Miss Vossler, telephone No. 389-Y, at once.

The dances of this winter have assumed a very much different character from those of previous seasons. In this class for ball room purposes the steps will be taught in the same way as they are being given in the better New York schools of dancing. It is hoped that the course may end with a large Christmas ball.

SUMMARY OF WAR NEWS

Condensed Information from Dispatches in Morning Papers

The French War Office announced yesterday afternoon that the Allied Army had made advance in Belgium and had driven the Germans across the eastern frontier, near Nancy. The night bulletin announced some progress in the region south of Dixmude.

The Germans report that the battle on the Yser Canal, near Ypres and Southwestly from Lille, is proceeding with the same stubbornness, although the German Army has made some progress.

All reports agree that the fighting in the East continues without decisive result. The French official statement yesterday said that on the River San and south of Przemysl the Russian offensive was becoming "more accentuated."

The Austrian communication states that the main Russian Army is being engaged, and that minor successes have been won by the Germans and Austrians.

The German report admits that a new Russian Army has crossed the Vistula River to the north of Ivangorod.

Another rebellion has broken out in South Africa, led by Gen. Christian De Wet and Gen. Christian Frederick Beyers, in the Orange Free State and Western Transvaal. Heilbron has been seized and the Government officials taken prisoners.

A news dispatch from Lisbon states that German troops have invaded the Portuguese Province of Angola, West Africa. The Portuguese Government is making preparations to dispatch warships and troops from Portugal to its possessions in Africa.

German Cruiser Persues Her Spectacular Career

CHASED BY MANY WARSHIPS

Naval Commanders of Three Nations Yet Unable to Run Down Destroyer of Shipping

Berlin, via the Hague, Oct. 28.—The German cruiser Emden is continuing its career of destruction in the far east, notwithstanding the fact that she is being pursued by fully 20 English and French war-ships and auxiliary fleet of the Japanese navy.

Of late the Emden has been harassing Japanese commerce. The Japanese merchantman Kanaska Mara, which left Singapore for Japanese ports with a valuable cargo, is the latest victim of the Emden.

MISS OLIVE ARCHIBALD

Daughter of Frank C. Archibald, Passes Away at Samaritan Hospital

Miss Olive Marie Archibald, aged 15 years, daughter of Frank C. Archibald of Manchester, who was taken to the Samaritan hospital in Troy a week ago Saturday for treatment, died at that institution this morning at about 3:30 o'clock of heart failure. Miss Archibald was to have had an operation as soon as her condition would warrant.

Miss Archibald was a thoroughly likable girl and during her frequent visits to her sister, Mrs. R. W. Taylor had made many acquaintances and close friends in Bennington. She was a native of Bennington but the most of her life had been spent in Manchester where until recently she had attended grammar school.

The survivors are her father and one sister, Mrs. R. W. Taylor of this village who have the sincere sympathy of many friends in their affliction. The young girl's death constitutes a sad break in the life of Mr. Archibald, for there had always existed between the two an unusually close bond of affection.

The body will be taken to Manchester this evening and the funeral will be held from the home of her aunt, Mrs. Martin Covey of Manchester probably Friday morning.

ORGANIZE TOBOGGAN CLUB

Typical Winter Sport To Be Revived in St. Albans

A toboggan club is being organized in St. Albans, the idea of which has not been in existence there for a good many years. The membership of the organization is being made up among these spirits who frequently during the winter don their heavy clothing and with skis or snowshoes are seen sending their way off over the hills for a tramp.

The plan proposed is to make arrangements for utilizing the well-known slope, "Hard Hack," an almost perfect slide on the rear of Aldis Hill. This has been a popular resort for coasters in the past and it is proposed to erect a wooden slide along the steeper portion which has in the past been somewhat rough except after a heavy fall of snow.

Plans and specifications for this structure have been drawn up and it is probable that work will begin as soon as the membership of the club is completed.

It is expected that a building to provide shelter will be erected. Some arrangements may be made so that persons not members may for a small charge be permitted to coast there but of course this matter has not received serious consideration yet.

Visitors to St. Albans often express disappointment at finding no arrangements here for outdoor sports in the winter, expecting to find hand skaters, coasters, etc., in abundance in a place so near winter sport loving Canada.

PRICE OF HAY LOWER

No. 1 Selling for \$16.50 in St. Albans Market

The price of hay in the St. Albans market has taken a drop from \$18 and \$20 a ton to \$16.50 for No. 1 hay in large bales. There has been much more hay on the market the past few days. While there was little the farmers could demand their own prices, but now more is coming in each day with a consequent lowering of the prices.
